Headquarters: 4124 Woodward Avenue ■ Detroit, Michigan 48201 ■ 831-4400

September 7, 1973 *"Detroit Renewed"*

Dear Member of the Wayne State University Campus Community:

"We need his experience, dedication, and leadership.

WE NEED COLEMAN YOUNG FOR MAYOR."

The above statement represents "the battle cry" of supporters of State Senator Coleman Young.

We believe that Coleman Young is the most able person to lead Detroit in the next crucial four years.

Such accomplishments as leading the campaign for consumer safeguards, The Detroit School Decentralization Law, the State "No Fault" Insurance Law, the development of Michigan's Open-Housing Law, and easing the tax burden for senior citizens, attest to his leadership in helping to solve the major social problems confronting our city.

We urge you to join us in electing Coleman Young as the next mayor of the City of Detroit.
