

Gentlemen:

May 26, 1945.

In your circular letter dated November 10, 1945, you state you wish to bring together men + women of all colors, creeds + that we must live united for a common purpose.

It's O.K. to be united for the purpose of winning the war, but beyond that — nix!!

I've been annoyed for 4 years last past by a family of Jews who busted into our neighborhood + settled themselves down much to the discomfort of the neighbors — and

we're patiently awaiting  
the war's end so we  
can leave the vicinity  
& try our luck in another  
part of town. It's highly  
restricted, so here's hoping  
that Jews don't squeeze  
into & spoil that nice  
location for at least 15  
or 20 years. If they do,  
then we'll give up in disgust.

But what I want to  
know is, why not let  
"well enough" alone. Niggers  
& Jews are being too well  
treated as it is, without  
you having conferences for  
bettering their living! We're simply  
not to keep them down.
